Peter Vanderlee Talks Dividends on Money Life with Chuck Jaffe

August 21, 2019

Portfolio Manager Peter Vanderlee recently appeared on Money Life with Chuck Jaffe to discuss the environment for dividend stocks. He noted during the podcast that with low payout ratios and reasonable rates of growth, dividend-paying stocks offer investors a way to play defense against slowing economic and market conditions expected over the next few years. He also highlighted that despite a flight to safety by investors, dividend-paying stocks continue to offer fair values and the occasional bargain.
