A Collaborative, Team-Based Culture Guides Everything We Do

ClearBridge Investments is a leading global equity manager committed to delivering long-term results through active management. We have followed this approach for more than 50 years and continue to offer investment solutions that emphasize differentiated stock selection to move our clients forward. Our investment decisions are supported by a robust research platform that conducts in-depth fundamental analysis of individual securities.

- We operate from offices in New York, Baltimore, London, San Francisco and Wilmington.
- We offer strategies focused on three primary client objectives in our areas of proven expertise: high active share, income solutions and low volatility.
- Our strategies are available in separately managed accounts, mutual funds, collective investment funds as well as custom solutions, commingled vehicles and offshore funds.

Our Team

At ClearBridge, our people drive our success. We foster an environment of personal development and strive every day to harness our diverse talents and expertise to create a successful experience for our clients. This commitment to enduring excellence extends beyond investment performance, informing all aspects of our relationships both inside and outside the firm.

We have over 200 employees in five locations. Get to know the ClearBridge Investments team, including our [Leadership](#), [Portfolio Managers](#), [Research Analysts](#) and [Traders](#), or reach out to our [Relationship Management](#) and [Client Service](#) teams.
