

Client Service

From the initial touchpoints of our sales teams to the cultivation and support of long-term relationships by our client service team, ClearBridge strives to create success and stability for our clients. We do this by delivering superior client service throughout the entire investment experience. For more information about our Client Service team and its process, watch our [Client Service Overview](#) video.

From the initial touchpoints of our sales teams to the cultivation and support of long-term relationships by our client service team, ClearBridge strives to create success and stability for our clients.
