For the fifth year in a row, ClearBridge Investments has been named by Pensions & Investments Magazine (P&I) as one of the Best Places to Work in Money Management.

ClearBridge, which won the award in the 100-499 employee category, is one of only five five-time winners. Employees surveyed by P&I cited ClearBridge's emphasis on work flexibility, employee health and community service as reasons why it is one of the best places to work in the industry.
