

December 2017

ClearBridge Investments has been named by Pensions & Investments Magazine (P&I) as one of the Best Places to Work in Money Management for the sixth year in a row.

ClearBridge, which won the award in the 100-499 employee category, is one of only five winners to have made the list every year since the program launched in 2012. Employees surveyed by P&I cited ClearBridge's emphasis on an inclusive work environment, respectful and approachable management, and community service as reasons why it is one of the best places to work in the industry.
