

ClearBridge Launches All Cap Growth ETF

May 4, 2017

ClearBridge Investments has launched its first actively managed exchange-traded fund (ETF), the ClearBridge All Cap Growth ETF (CACG). The ETF takes a high conviction approach, investing in the best growth ideas of portfolio managers Evan Bauman, Peter Bourbeau, Richard Freeman and Margaret Vitrano.

The new ETF, which follows the same process as the firm's [All Cap Growth Strategy](#), actively pursues growth across market capitalizations. Leveraging the knowledge of a team that averages 27 years of investment experience, the ClearBridge All Cap Growth ETF emphasizes companies with the potential for above-average long-term earnings and cash flow growth.

Evan Bauman and Margaret Vitrano discussed the team's approach to identifying sustainable growth companies in a [recent podcast](#).
