

Miguel Del Gallego, CFA
Director, Senior Research
Analyst for Financials

“Disciplined fundamental analysis and a conservative valuation approach is the key to identifying and investing in securities that offer superior risk-adjusted returns.”

Miguel Del Gallego, CFA

Miguel is a Senior Research Analyst for Financials at ClearBridge Investments. He joined the firm in 2001 and has 25 years of investment industry experience.

Miguel joined the firm as a Portfolio Associate and became a Senior Research Analyst in 2007. Prior to joining the firm, he was an Account Controller at State Street Corporation.

Miguel received a B.S. in business administration and finance from Boston University. He is also a member of the CFA Institute.

Miguel’s key ESG considerations for the financials sector include corporate governance; compensation structure; lending practices; regulatory compliance; talent acquisition/retention; corporate responsibility.
